Re: Gordon Conference on "Oxy-Radicals in  
Biology and Medicine" - Grant #1361R5

Dear Bill:

We received your letter of January 19 and were happy to learn more about the plans for the Santa Barbara meeting on February 10-15, 1985. The Council will certainly want to be represented there.

We are pleased to enclose The Council's check #23015 in the amount of two-thousand-five hundred dollars, (\$2,500.00) to assist in the support of this event.

We understand that these funds will be employed to provide partial reimbursement of the travel and residence expenses of invited speakers and session chairmen. No part is to be used for support of any conference participants from private industry.

(A statement of The Council's general policy with respect to support of conferences is enclosed.

We are confident that this meeting will make a significant contribution to progress in this important field.

With best wishes,

Sincerely yours,

*Robert C. Hockett*
